

Welcome to

coflexConnect

guided patient experience

Before, during, and after your surgery, our **coflexConnect Team** will provide personalized support, such as:

- **Providing free and confidential one-on-one personalized support services** for patients who are prescribed **coflex**[®]
- **Answering any non-medical questions or concerns** you have about your **coflex**[®] journey
- **Offering education, support, and informational resources** that may help you throughout your **coflex**[®] experience
- **Handling your insurance benefits verification, prior-authorization, and appeals** directly with the practice and insurance company, providing you updates about the status of your case
- **Following up after your coflex[®] surgery** throughout your recovery
- **Connecting you with a coflex[®] Patient Ambassador** who is willing to share their personal story about being a **coflex**[®] patient

We look forward to connecting with you!
